Affiliate commissions apply to monthly hosting fees, but not to account setup or add-on fees.

The following conditions apply to the Affiliate Plan:

NDC Host will pay a monthly recursive commission of 10% to the Affiliate on the basic monthly fees of the account for the extent of time the account is held with NDC Host. If the referred client purchases additional accounts after their initial purchase, commissions will not be paid on the additional accounts. The referred client must stay in service with NDC for a minimum of one month, Affiliate will be paid in an one month offset, that is the commission is not payable until the month following the accounts initial signup.

If the Affiliate has their own web hosting account with NDC Host, then commissions earned by the Affiliate will be used, in the first instance, to offset the amount due to NDC Host for the Affiliate's hosting account(s). If commissions earned by the Affiliate exceed payments due from them for their own web hosting account, then a check or money order will be issued to the Affiliate as described below.
